No Better Point in Ohio for Manufacturing and More Industries are Wanted.

TWENTY-SIXTH YEAR. No. 177. SALEM, OHIO, WEDNESDAY, JULY 29, 1914. TWO CENTS.

USE OF PRIVATE WELLS TO RELIEVE WATER SUPPLY SHORTAGE NEXT MOVE

Conference of City Officials and Interested Citizens Results in Decision To Use Wells at Industrial Plants---Will Test M'Nab Well---Use of Country Club Lake and Installation of Water Meters Thoroughly Considered--Criticism of Administration of Waterworks Department is Voiced.

An immediate test of a strong well at the McNab plant on Depot street, with a view to connecting it at once to the city supply, and the prompt connection of private wells at all the industrial plants in the manufacturing section to the city mains, that the standpipe and water basins may be pumped full and a reserve supply for possible fire fighting, are decisions reached Tuesday afternoon at a joint conference of city officials and members of the board of trade and the Manufacturers association, called together to meet in some manner the exigency of a dangerously depleted water supply.

At the same time arrangements were made to take up with the state board of health the matter of utilizing the Country club lake west of the city, with its 12 acres of water, as a reserve supply; the merits of operations now under way for augmenting the domestic water supply were very thoroughly and frankly canvassed; and initial steps were taken which will apparently lead in the not far distant future to installing water meters on the service lines throughout the city, as a means of curbing most effectually the extravagant use of water on the present flat rate plan.

All who participated admitted that the emergency is a most serious one, which must be met at once, and it was thought that the McNab well, capable of furnishing 100,000 gallons every 24 hours, will make up the deficiency in the domestic supply for the present, at least, while other private wells in the "flats," temporarily connected with and pumping at night into the city mains, will make it possible to fill both basins and the standpipe and provide a reserve of some 2,000,000 gallons for use in case of fire.

During the two-hour conference, attended by 50 prominent officials, business men and manufacturers, with L. P. Metzger acting as chairman, opinions regarding and some criticism of the equipment and administration of the waterworks department was indulged in; temporizing further with

USE OF LAKE UP TO HEALTH BOARD

Committee Will Go to Columbus to Arrange for Early Test.

Council to Pass Necessary Legislation at Special Session.

Pursuant to the decision reached Tuesday evening, members of the council, other city officials, members of the board of trade and of the Manufacturers association inspected the Country club lake and ground west of the city as a prospective city water supply, the initial steps toward the proposed appropriation of the resort for this purpose will be taken Wednesday evening, when council, in special called session will pass the necessary legislation, and on Thursday, when a committee of councilmen and other interested citizens will journey to Columbus and present the matter to the state board of health, with a view to arranging for an early inspection of the site and test of the available supply.

While it is by no means certain, even though the stamp of approval should be given the project by the

NEED BRICKLAYERS AT THE POSTOFFICE

Comparatively slow progress is being made on the postoffice building, chiefly due to the persistent dearth of very much needed bricklayers, but each day the structure becomes just a little more like what it is eventually to become.

Many teamsters are now busy transporting to the site the beautiful limestone, already cut and ready for placing in position, which is to form the trimmings of the building, and the chief material used in the portico, porch and vestibule of the federal building. It is a beautiful material, but so soft that great care is necessary in handling it.

LOCAL WEATHER FORECAST.

Prepared by H. W. Weisgerber from observations taken on instruments at the Buckeye Engine Co. office.

Fair tonight and Thursday.

MAYOR PUTS BAN ON SPRINKLING

Issues Proclamation Forbidding Waste of City Water.

Silver Well Will be Turned Into Mains Wednesday Night.

A proclamation issued early Wednesday afternoon by Mayor Johnson, as a sequel to his recent public request for the co-operation of water users in the present critical situation as regards the public water supply, absolutely forbids the use of city water for lawn sprinkling until further notice. It is understood that the mayor's ultimatum will be backed up and enforced by the imposition of severe penalties.

While a very substantial gain has been made during the past 24 hours, many reports have reached the authorities of residents ignoring the mayor's request and freely using water for lawns.

The most hopeful condition of the city water supply in weeks was reported at noon Wednesday by the service director, when it was learned that one of the basins at the pumping station, which had three and one-

PEACE IN MEXICO IS NOW ASSURED

(By Associated Press to News.)

Washington, July 29.—General Carranza and Provisional President Carbajal have agreed for arrangement of peace in Mexico according to a message received today by Jose Castellot, personal representative of Carbajal. Details are lacking.

FOOD DEMANDED BY WOMEN AND CHILDREN

(By Associated Press to News.)

Steubenville, July 29.—Smithfield township poor trustees are besieged by women and children demanding food. Conditions are reported bad, but relief measures are under way.

Uncle Joe Cannon Back In The Race

(By Associated Press to News.)

Danville, Ill., July 29.—Joseph G. Cannon, former speaker of the house of representatives, today announced his candidacy for representative from the Eighteenth Illinois district, subject to the primary election to be held September 9. If not nominated, he stated, he will make a vigorous campaign for the election of the man who beats him.

CHURCH WORKERS ELECT OFFICERS

Reports given by Rev. A. H. Pringle, of Lisbon, presiding elder, at the twenty-third annual Ohio district conference of Sunday school and Christian Endeavor workers of the A. M. E. Zion church, in session at the local church on West High street, show that the work in the district has been receiving splendid attention from the various churches, the work being done in Columbus, Dayton and Cleveland by ministers sent to establish new zions being commended especially.

Officers elected at the Tuesday afternoon session follow:

District superintendent of Christian Endeavor, Mrs. Louise Pringle, Lis-

(Continued on Eighth Page.)

OPPOSE CHANGE OF COLLEGE NAME

A great fight is promised at Alliance next Tuesday, when the stockholders of Mt. Union college will consider the changing of the name of the college to Mt. Union-Scio college.

It has been supposed by many people that Mt. Union-Scio is the name of the Alliance college since the merger three years ago of Mt. Union with Scio. This is not the case, however, as the merger made was an act of the trustees while the changing of the name is a function of the stockholders.

The alumni from all over the country have risen in protest against the proposed change of name, and the Alliance papers and President McMaster are being flooded with letters from these men and women. The sentiment in Alliance is strong against changing the name which has stood for almost three quarters of a century. Mt. Union students have repeatedly petitioned against the proposition.

Although the only question before this meeting is the change-of-name proposition the alumni promises that if the name be changed and the matter has to be taken to the courts, the whole question of the merger of Mt. Union college with Scio college will be attacked.

COUNTY TEACHERS INSTITUTE WILL BE HELD AUGUST 10-14

Programs have just been received here for the annual Columbiana county teachers' institute, which will be held in the First M. E. church at Lisbon on Monday, Tuesday, Wednesday, Thursday and Friday, August 10-14 inclusive.

Miss Eliza Miller, of near this city, is secretary of the county organization, and doubtless many teachers from this city and vicinity will be in attendance at the institute. Other officers are: President, F. H. Warren, East Liverpool; vice president, W. O. Davis, Columbiana; executive committee, W. G. Wolfe, Salineville; J. M. May, Leetonia, and H. D. Wile, East Liverpool.

Morning, afternoon and evening sessions will be held on each of the five days of the institute, with the exception of Friday, when it will come to a close with the forenoon session. Lectures will be given Tuesday and Wednesday evenings, a grand reception

(Continued on Fourth Page.)

TO RECOMMEND WATER METER INSTALLATION

Service Director Will Ask Council for This Improvement.

TO PREVENT WASTE

Various Methods of Procedure Discussed at Conference.

Installation of water meters on every service line in the city, as the most practicable and effective means of preventing extravagant use of the city water supply, and at the same time of being absolutely fair to consumers both large and small, will from all present indications be one of the most important enterprises undertaken in the waterworks department in the very near future.

Suggestions and discussions at the conference of city officials, business men and manufacturers anent the water situation Tuesday evening, started the ball rolling, and added impetus was given by the affirmation of the service director that general installation of meters would, in his opinion, cut down the consumption at least one-third, or, in other words, would eliminate actual waste of water to that degree.

A considerable number of meters are already installed on the service lines of private consumers, and the plan at present is for the city to install the meters and keep them in repair while the property owners pay a stated rental each year. It is proposed, however, should universal metering be determined upon, to make it optional with the consumer whether he prefers to pay an annual rental for meter service, or to purchase the meter outright, at a cost

(Continued on Eighth Page.)

BAND CONCERT TO BE GIVEN AT CITY PARK

On account of the threatening skies and the light rain that began to fall, but five numbers of the announced program were rendered by Quaker City band at the fifth open air concert Monday evening.

The remainder of the program with several additional numbers will be rendered Sunday afternoon at Centennial park by the band.

An Explosion of Fireworks Kills 25, Injures Forty

(By Associated Press to News.)

Tudeia, Spain, July 29.—Twenty-five persons were killed and 40 injured by an explosion of fireworks during a local festival today. Most of the dead were decapitated.

LAST OBSTACLE TO PAVING OF ROUTE REMOVED

The last obstacle to the improvement of Governor Cox Main Market Route No. 14 in the western part of the county has been removed by the decision of the trustees of Smith township, Mahoning county, to issue bonds in the sum of $25,000 for the payment of their share of the cost of the improved highway.

Such action was demanded by petition of a large majority of the property owners some weeks ago, after the trustees had expressed a desire to know the will of the voters in the matter, but after the petition was filed the trustees contended that the township is bonded to the limit, and not until a conference with the Mahoning county prosecutor at Youngstown recently did they decide that the issue will come under the one per cent limitation, and announce that it will be made at once.

12 MINERS WERE BLOWN TO PIECES

(By Associated Press to News.)

Cassel, Germany, July 29.—Twelve potash miners were blown to pieces today by an explosion of 80 pounds of dynamite while they were sinking a shaft in the Krajaii mine, near here.

SMITH-ECKSTEIN CO. CREDITORS TO MEET

Lisbon, July 29.—The first meeting of the creditors in the Smith-Eckstein company bankruptcy case, of Salem, will be held in the office of Referee Connell on Monday, August 10, when the bankrupts will be examined and a trustee named to take charge of the business.

SITUATION IN EUROPE GROWS MORE SERIOUS

Military Activity on Russian Side of Frontier Confirmed.

MOBILIZING ARMIES

Servian Capital Bombarded and Bridge Over River Blown Up.

(By Associated Press to News.)

Berlin, July 29.—Emperor William today sent to Emperor Nicholas, of Russia, a telegram concerning the international crisis. This message crossed on its way to St. Petersburg a similar telegram from Emperor Nicholas to Emperor William.

Military activity on the Russian side of the frontier is confirmed by many evidences reaching officials here, but it is stated that no mobilization has been ordered by the Russian war office. A number of German troops have been moved toward the frontier as a precautionary measure. The men wear new gray service uniforms.

Martial Law Declared.

St. Petersburg, July 29.—Great patriotic demonstrations took place here today, and reports from Moscow say that similar manifestations were seen there.

It is announced that in Malta and surrounding districts of Crimea a modified form of martial law has been declared by the government.

Reserves Called Out.

Brussels, Belgium, July 29.—The Belgian cabinet today decided to call out immediately three classes of army reserves.

British Fleet Sails.

Portland, England, July 29.—The British fleet sailed from here today for an unknown destination. No information is given out as to the movements of war vessels.

Servian Capital Bombarded.

St. Petersburg, July 29.—A dispatch from Belgrade says: "The Servian capital has been bombarded and bridge over river blown up."

Stock Exchange Suffers.

London, July 29.—The seriousness of the European situation was reflected today on the London stock exchange, when British consols sold at one time to 69½. A government broker then appeared and began buying at 70½. Five failures are reported.

OPEN-AIR SALOONS.

Police of the large cities as well as the operatives of the state liquor license board are having troubles of their own with a peculiar open-air type of Sunday saloons that seem to spring up like mushrooms on the warm Sabbath days. The fact that on last Sunday Columbus strong arm squads found one such saloon within three miles of the state capital will serve to illustrate the prevalence of the outlaw saloon that is offering a problem of its own. Such a problem is not confined to large cities, nor is it a new one. The open-air saloos needs only a quiet grove, the absence of police authority and a full quota of refreshments. To such an emporium rush the thirsty of hte city on whose border the improvised oasis nestles.

When the police of Columbus last Sunday descended upon one such grove almost within sight of Ohio's law-making buildings they found 35 barrels of beer and more than 100 fleeing men. Those in charge protested that they were having a picnic only and were loud in their deunciation of those who would thus invade the right of enjoyment of those who had sought the sequestered place. Later developments went to show that the patrons of the roofless saloon paid as they entered, or before. In other words, they had bought their refreshments is advance and once within the coveted precincts were free to imbibe as freely as they chose. This and other schemes are employed to defeat the Sunday closing law, and the Columbus affair is merely an example of what is going on about Salem almost every Sunday. An effort should be made to wipe out these outlaw saloons.

Steps taken by the board of trade and other interested citizens at a called meeting Tuesday afternoon to relieve the present serious shortage of the city water supply demonstrates the importance of having as members of that board a body of active men alert to the needs of the city, men who will demand action on the part of those responsible for providing such needs. The situation also demonstrates the necessity of placing in charge of the city's affairs men who will act quickly and wisely and who do not need to be impressed with the seriousness of a situation that confronts the entire city. This shortage of the city water supply did not develop within a day nor a week. It might have been averted if provisions for the future were made long ago, and, having developed, it might have been relieved before this had not those in charge continued their policy of dilly-dallying. The men who finally took charge of the situation represent the business and industrial life of the city and their interests are the interests of those who depend upon them for a livelihood. They have private property at stake, just as hundreds of others have, and the giving of their personal attention to this problem should be appreciated by every citizen of Salem.

An account of the appointment of W. J. Huske, a Wellston newspaper man, secretary of the state department of public works, is concluded by the statement that he is one of the best chess players in Ohio, and that he recently won the championship of Central Ohio. Does this mean that his knowledge of chess won him the appointment?

The membership of the Toronto Street Railwaymen's union is now 2,000.

Electrical workers in Sheffield, England, are paid 17 cents an hour.

The Crooks

By Walt Mason

The people who beat you, hornswoggle and cheat you, don't profit for long from the kale; for folks who are tricky find Nemesis sticky—it never abandons their trail. I've often been cheated; the trick's been repeated so often I cannot keep tab; but ne'er has the duffer who thus made me suffer been much better off for his grab. It pays not to swindle; dishonest rolls dwindle like snow when exposed to the sun; like feathers in Tophet is burned up the profit of cheating, the crooked man's mon. The people who sting me unknowingly bring me philosophy fresh, by the crate; I don't get excited—my wrongs will be righted, by Nemesis, Fortune or Fate. I know that the stingers—they think they are dingers, and gloat o'er the coin they don't earn—I know they'll be busted and sick and disgusted, while I still have roubles to burn. I'd rather be hollow with hunger than follow the course that the tricksters pursue; I'd rather be "easy" than do as the breezy and conscienceless gentlemen do. Far better the shilling you've earned by the tilling of soil that is harder than bricks, than any old dollar you manage to collar by crooked and devious tricks.

CLASSICAL SUNDAY SCHOOL CONVENTION

Lisbon, July 29.—The forty-third annual convention of the Eastern Ohio Classical Sunday School association opened at 4 o'clock Tuesday afternoon in the First Reformed church here, when the delegates registered.

The real opening of the convention was at 7:30 o'clock in the evening, when there was a song and devotional service, and an address by O. W. Baum, of Akron, on "The Organized Adult Class." There was also a discussion led by Lee Warstler, of Louisville, followed by music and the appointment of committees.

This morning at 8:30 o'clock a praise service was led by Rev. J. W. Geier, of Carrollton, followed by an address on "Sunday School Music—Quantity and Quality," by Miss Ruth Stahl, of Alliance, and an address at 9:50 o'clock by J. G. Houlette, of Columbiana, who spoke on "Dangers of Some Modern Sunday School Methods."

At 1:30 o'clock devotional exercises were led by Rev. E. D. Wettach, of Youngstown, followed by conferences between the general and elementary division superintendents. Rev. J. P. Stahl, of Alliance, delivered an address before the convention at 3 o'clock on "The Teen Problem—How Interest and Hold the 'Teen Boys and Girls."

Devotional service this evening will be led by Rev. B. A. Black, of Louisville, and one of the interesting features of the convention will be the talk during the evening by Mrs. May Frost Marquis, county probation officer of Lisbon, on the work in the county. The closing service will be conducted by Rev. L. J. Rohrbaugh, of North Lima. Officers will be elected late Wednesday afternoon.

What The Readers of The News Read
20 YEARS AGO

(Issue of July 29, 1894.)

The late crop of blackberries has been helped by the rains and a big yield is reported.

The lawn fete and musical given by the Salem Musical society at the home of Carl Barckhoff, on Vine street, last evening was well attended.

Seven car loads of ice were shipped this week by the J. B. McNabb Ice company.

The City band last evening occupied a street car and delighted residents along the line with selections.

A new law in regard to names of firms requires that such names shall be published in newspapers for three weeks. Mere filing with the county clerk does not make them valid.

Misses Leah and Dora Cohen will go to Lake Brady tomorrow to attend a picnic given by the Jewish young people of Cleveland, Canton, Akron and Youngstown.

An arc light has been placed in Bower's meat market.

IT IS SERIOUS

Some Salem People Fail to Realize the Seriousness of a Bad Back.

The constant aching of a bad back,
The weariness, the tired feeling,
The pains and aches of kidney ills
May result seriously if neglected.

Dangerous urinary troubles often follow.

A Salem citizen shows you what to do.

D. E. Harrington, 100 Sharp street, Salem, Ohio, says: "The first symptom of kidney trouble in my case was pains in the small of my back. These pains lasted for several weeks at a time and caused me no end of trouble. Seeing Doan's Kidney Pills advertised, I got a box and at once began to feel better. Since then whenever my kidneys have troubled me, I have always found a cure in Doan's Kidney Pills."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Harrington had. Foster-Milburn Co., Props., Buffalo, N. Y.

Chautauqua Speaker Points to The Indian In Emphasizing Some Of Truths Of a Normal Physical Life

Decidedly unique, and withal most instructive and entertaining, were addresses given during Tuesday afternoon and evening, on the fifth day of the chautauqua session, by Dr. George Wharton James, a venerable student of Indian life and traditions, and at the same time a minister, physician, philosopher and student of life in general, in which he has found much that is good, and is now endeavoring, through writing and speaking, to separate it from the evil for the benefit of his fellowmen.

Both addresses were preceded by the work of the Caveny company, composed of husband, wife and niece, the latter two rendering appropriate vocal and instrumental selections, while Mr. Caveny delighted his audience with splendid crayon talks and clay modeling. One of the real features of his evening program was the evolution of a rag picture, in which cleverly wrought pieces of flannel and netting, of various shapes and hues, replaced the usual crayon or paints, and depicted a wild mountain scene wonderfully resembling a real sketch.

Dr. James' afternoon theme dealt with Indian basketry and its religious significance, and he had a wonderful array of specimens of their art for the illustration of his address, including what is said to be the smallest basket ever woven, far more diminutive than the ordinary thimble, and yet perfect in every part. The speaker sought to impress his hearers with the knowledge that the ofttimes despised Indian is possessed of a soul, that he is intensely and steadfastly religious, that he believes in answered prayers, and that all these and many other things the women symbolize wonderfully in the baskets they weave.

He declared, anent his theme, that superstition is usually but one's own colossal ignorance, and mingled in his address much sober philosophy, comparing the unswerving religious faith of the Indian with the frequently worthless profession of the white race. He criticized many tendencies of modern life, the avoidance by fathers and mothers of their responsibility to teach the truths of life to their children, and told entertainingly of Indian legends and ceremonies, learned during his association of 30 years with the race, and reviewed briefly some parts of the great book "Ramona" in some of the scenes of which he had personal participation, and acquaintance with its principal characters.

"What the American Indian Can Teach the American" was his evening theme, and for over an hour and a half the aged lecturer emphasized with all the earnestness at his command, yet highly entertainingly, some of the simplest truths regarding normal physical life, such as nasal breathing and avoidance of the use of the nose as an organ of speech; outdoor sleeping and living, so far as possible; rational, non-restricting dress, a subject on which he feels so deeply that, he declared, if he had his own way every corset in the world would be burned forthwith, and the factories dynamited.

Sex themes were freely discussed, and those who find cause for shame in regarding the human body, the creation of divinity, he declared to be guilty of blasphemy against God, whose works are good. He teaches the utmost frankness and candor in dealing with and thinking of all the facts of life, and such rational living and thinking that the world may have a race of normal, superbly healthy men and women. He is an advocate of the simple life in food and dress, of the fast as a curative and a disciplinary of mind and body, and for the most part a modern physical culturist, his doctrine following much the same lines as those dwelt upon by Supt. McIntyre, of the National Physical Culture union, in a brief talk before the regular evening program.

WIFE CURED
Of Eczema by Saxo Salve

Snohomish, Wash.—"My wife suffered with eczema for years and used every remedy ever mentioned to her but nothing helped her until she used Saxo Salve. Now she is entirely rid of eczema. Saxo Salve is certainly a boon to anyone suffering from eczema." —HENRY SCHARP, Snohomish, Wash.

If we can't cure your skin trouble with our Saxo Salve and Saxo Soap we will buy back the empty tube.

SAYRE FILES LIBEL CASE AGAINST TOD

Columbus, July 29.—On next Friday a candidate for gubernatorial nomination will appear in Columbus and present himself at the police station to answer to a charge of publishing an untrue statement in alleged violation of the new newspaper libel law. The candidate will be David Tod, of Youngstown, who aspires to the Republican nomination for governor. Tod has been charged, in an affidavit filed in the Columbus police court by County Auditor Sayre, of Franklin county, with publishing untruthfully the statement that Sayre demanded $5,000 of Tod to run the latter's campaign in Ohio's capital city. The charge is the result of a newspaper controversy that has been on for days between Tod and Sayre. When Tod made his statement, Sayre denied it and gave the candidate 48 hours to retract. Tod replied with a reaffirmation. Then came the affidavit. Observers here are divided in their sympathies, each party to the controversy having many supporters.

Improve Your Complexion.

Your complexion as well as your temper is rendered miserable by a disordered liver and by constipation. Take Chamberlain's Tablets and you will improve them both. For sale by Bolger & French.

Sent to Fairmount Home.

Lisbon, July 29.—Samuel Appileto, aged 11 years, of East Liverpool, abandoned by all his relatives, has been committed to the Fairmount Children's home at Alliance by Judge Farr. The lad was brought to Lisbon by Probation Officer McShane a week ago and has been in the detention home. He is an Italian.

His Indigestion Cured at Last.

After spending hundreds of dollars for medicine and treatment for indigestion and constipation with only temporary relief, C. H. Hines, of Whitlow, Ark., was permanently cured by Chamberlain's Tablets. For sale by Bolger & French.

Why you should own a Sandusky Power or Electric Washer

Because the Sandusky is a labor saver, a time saver, a money saver and better than all a health saver. While washing you can wring from rinse water to blueing, and from blueing to the basket. This is possible by our patent adjustable wringer.

Anyone in the market for a gasoline engine power washer will find the Sandusky the best on the market. Also equipped with electric motor. Price $25. With electric attachment $48.00.

S. D. Whinery

THE EXPRESS IS IN THIS TOWN AND IN TO STAY

FOR seventy-five years—three-quarters of a century—the express has been the right-hand of the shippers of commercial America. The Express came to Salem, Ohio in 1858 and it came to stay. For 56 years it has been the right-hand of commercial Salem, Ohio.

It is here to stay. The other day when reports went out that the express companies might retire from business, a protest went up. From whom this protest—the express companies? No! The merchants of the country—shippers everywhere—petitioned Congress that no action be taken that might have the effect of forcing the express companies to retire. Commercial organizations all over the land have joined in this appeal to Washington.

For seventy-five years in the past and for a good many more years in the future Express Service will mean

SOCIAL —and— PERSONAL

Rebekahs at Leetonia.

Mrs. Lorena Whitacre, Mrs. George Mounts, Miss Maud Edney, Mrs. Cora Schwartz, Misses Charlotte Bardo, Inez Farrington, Leona Probert Mildred Morlan, Lefa and Vena Winebrenner, Mrs. C. F. Kyle, Mrs. Martha Donaldson, Mrs. Nora Dubbs, Mrs. James Probert, Mrs. W. P. Davis, Mrs. Raymond Shinn, Mrs. Anna Ramsey, Mrs. Tillie Bolen, Blanche Widdup, Mrs. A. W. Stiver, Mr. and Mrs. Martin Bush and Fred Lease, members of Home lodge, No. 110, Daughters of Rebekah, went to Leetonia Tuesday evening, where they were guests of the Leetonia lodge. Mrs. Whitacre, delegate from District No. 30 to the Ohio assembly at Cincinnati, gave her report. After the regular meeting a social time was enjoyed, games and dancing being the chief diversions.

—o—

Capel-Cullenberger.

Announcement has just been made of the marriage of Miss Hazel Capel to Lewis M. Cullenberger, which occurred last Saturday evening at the home of the officiating clergyman, Rev. W. L. Swan, on McKinley avenue. After the ceremony the young folks left for a short trip to Youngstown and Elyria, from which they have returned and are at home to their friends at 157 East Fifth street. The bride is the daughter of Mr. and Mrs. George Capel, of the Goshen road. The groom is engaged in the threshing business.

—o—

Mrs. Hutcheson Honored.

Mrs. Thomas Hutcheson, of Chicago, Ill., was an honored guest at a picnic given at the home of Miss Leota Paxson, on West Main street, Wednesday afternoon, by the clerks of the Brian company store. The afternoon was enjoyed socially and a dainty picnic supper was served. Mrs. Hutcheson was formerly Miss Clara Woods, and was employed at the Brian company store for several years.

—o—

Entertained For Son.

In honor of the birthday anniversary of her little son, Dwight, Mrs. Louis Getz entertained very pleasantly a few of his little friends at their home on East High street Tuesday evening from 6 until 8 o'clock. The hostess served a dainty lunch of red, white and blue appointments, and a flag cake centered the table. The honor guest received some pretty gifts.

—o—

S. S. Scholars Entertained.

The teachers of the Sunday school of the Church of God, on West Main street, delightfully entertained their scholars Tuesday evening at the home of Mr. and Mrs. Nathan Buckley, on West Main street. The early hours of the evening were enjoyed playing games and later the children were taken for an automobile ride, after which they returned to the Buckley home and were treated to refreshments.

—o—

Wedding Date Announced.

Winona, July 29.—The wedding of Miss Ellen Cope, daughter of Mr. and Mrs. Charles Cope, a highly respected young lady of this village, and Weatherhill Hutten, of Barnesville, will be celebrated Friday, August 21, at the Friends meeting house here. Last year Mr. Hutton taught in the Friends boarding school at Barnesville. Both young people have a wide acquaintance and many friends.

—o—

Club Dance Friday.

The week-end orchestra dance at the Country club will be held Friday night instead of Saturday night, as has been the past custom, in order that the business men may have an opportunity to attend. Dancing will continue from 8 o'clock until 10:30 o'clock to music furnished by the Thomas orchestra. The program of the evening will consist of old as well as the new dances.

—o—

At Cleveland Luncheon.

Miss Esther Clark, of this city, was an out-of-town guest in attendance at a luncheon given by Mrs. Edgar Cole, at her home in Cleveland, Tuesday afternoon, for her daughter, Miss Elizabeth Cole. The guests included 19 of Miss Cole's classmates at Sweet Briar college, Sweet Briar, Va., where Miss Clark has attended school.

—o—

Mrs. Atkinson Receives.

Mrs. L. W. Atkinson received at a luncheon at her home on East Fourth street Wednesday for the pleasure of her guests, Mr. and Mrs. Walter H. Wood, of Union Springs, N. Y. Sweet peas and nasturtiums graced the tables. The company spent the afternoon at the chautauqua. Guests from Damascus were present.

—o—

To Entertain at Camp.

At their camp at stop 65 on the Stark Electric line, Mr. and Mrs. Chauncey Greenamyer will entertain the girls of Miss Isabelle Mullin's Sunday school class and the boys of W. H. Read's class of the Episcopal church Wednesday evening.

—o—

Tullis Family Reunion.

The tenth annual reunion of the Tullis family will be held Saturday, August 22, at Rockhill park, Alliance, and cordial welcome is extended all members and friends of the family. Ira Tullis is president, Mary Tullis, secretary.

—o—

Jolly Matrons Meets.

A delightful meeting of the Jolly Matrons club was held Wednesday afternoon, with Mrs. Arthur Wilhelm hostess at her Ellsworth avenue home. The usual pleasures were introduced during the afternoon.

—o—

At Casselberry Home.

Wednesday Afternoon club members met as guests of Mrs. C. T. Casselberry at her home on McKinley avenue Wednesday afternoon. A pleasant social time resulted.

—o—

Mrs. Saxon Will Entertain

Mrs. Charles Saxon will entertain the members of the Ellsworth Avenue club on Saturday afternoon at her home on the Ellsworth road.

—o—

Culler Reunion.

The annual reunion of the Culler family will be held at Rockhill park, Alliance, Saturday, August 1.

BRIEF

—o—

Mrs. J. B. Johnson and daughter, Lucy, of Middlefield, who have been spending the past several days as the guests of Mr. and Mrs. M. A. Pearce and family, southwest of the city, left Wednesday morning for Ravenna, where they will spend the week-end before returning home.

Mr. and Mrs. Murray L. Smith and son, Marlin, and daughter, Mildred, of Jennings avenue, will leave Saturday for Yorda Linda, Cal., where they will spend some time. They will visit points in Canada and Oregon en route.

Mr. and Mrs. Myron Dickson, of Delaware, who have been spending the past few days as the guests of relatives in this city, left Wednesday morning for Sebring, where they will spend several days.

Mr. and Mrs. Walter Bailey, of Cleveland, arrived in the city Wednesday morning to spend several days as the guests of his parents, Mr. and Mrs. Oscar Bailey and family, of Woodland avenue.

Mr. and Mrs. H. H. Fredericks and three children, who have been spending the past week visiting Mr. and Mrs. Howard Pfabe, at their home on the Benton road, left Wednesday morning for their home near Brackenridge, Pa.

J. W. Steinbaugh, of Warsaw, Ind., who has been spending the past 10 days as the guest of Mr. and Mrs. Ralph Sturgeon, at their home on Hawley avenue, returned home Wednesday morning.

Mrs. Norman Bosten and son returned Wednesday morning to their home in Cleveland. They were accompanied by Mrs. Gertrude Bosten, who will spend some time as their guest.

Miss Maggie Kleiman, of Cleveland, and Miss Annie Dierkort, of Canton, are the guests of Mr. and Mrs. W. T. Speidel, of Woodland avenue.

Notice!

In order to avoid any mistakes or misunderstanding, we beg to advise that the annual sale on Manhattan Shirts will begin on Thursday, July 30, continuing up to and including Saturday, August 29, after which date regular prices are again to be restored. The minimum prices at which they are to be sold are as follows:

Regular $1.00 grade at not less than 79c
Regular $1.50 grade at not less than $1.15
Regular $1.75 grade at not less than $1.25
Regular $2.00 grade at not less than $1.38
Regular $2.50 grade at not less than $1.88
Regular $3.00 grade at not less than $2.25

COUNTY TEACHERS INSTITUTE

(Continued from First Page.)

Monday evening, and a concert Thursday evening.

Instructors for the sessions during the day, and the themes they will discuss, are:

Chauncey P. Colgrove, of the Iowa State Teachers' college, "Opening the Windows of the Mind," "Measuring the Results of Teaching," "Sand, Sympathy and Sense," "Reading and Teaching to Read," "Suggestions for Study and Teaching to Study," "Defects of Pedagogical Vision," "The Farmer as a Factor in Civilization," "Fundamentals in Teaching History," and "Accumulative Dividends in Teaching."

Frank B. Pearson, managing editor Ohio Educational Monthly, "Some Fundamentals in Teaching," "The Social Process," "The Motive Element," "The Safe Teacher," "School Aims," "The Tactful Teacher," "A Five-Fold Course of Study," and "The Child."

A special address will be delivered by T. Howard Winters, examination clerk of the state department of public instruction, on Wednesday afternoon, and Hugh F. Laughlin, director of music in the East Liverpool public schools, will furnish music at each session. Any information desired may be obtained by addressing the entertainment committee of the institute at Lisbon.

Some Very Pretty Names.

Here are some names taken from a jury list in 1658, the year in which Richard Cromwell succeeded his father as protector of England: Faint-Not Hewitt, Redeemed Compton, Stand-Fast-on-the-High Stinger, Be-Courteous Cole, Search-the-Scriptures Moreton, Kill-Sin Pimple, Be-Faithful Joiner, Fight-the-Good-Fight-of-Faith White, More-Fruit Flower, Weep-Not Billing, Repentance Avis, and so on.

No Encouragement.

Mrs. Short—Oh, dear, I do wish we were rich! Just think of the good we could do if we only had lots of money! Mr. Short—True, my dear, but we can do a great deal of good in a quiet way now. Mrs. Short—Yes, of course, but no one will ever hear of it.

Didn't Take the Bait.

Miss Anciente (insinuatingly)—I dislike my name; it's horrid. Mr. Fly (absently)—I fear it's too late to change it now.

Thick silence.—Pittsburgh Press.

Quite Musical.

"Is your daughter fond of music?" "Terribly fond of it," replied Mr. Cumrox. "No matter how it sounds she seems to like it."—Washington Star.

Drudgery is the gray angel of success.—Dr. Gannet.

USE OF LAKE

(Continued from First Page.)

state health board, that a pipe line will be laid to the lake and to wells which it is proposed to drill there in the future, all preliminary preparations to such a consummation will be made, as it is very generally believed that Salem, like other cities of considerable size, will soon, if not now, be confronted with the necessity of providing a reservoir for the augmentation of a water supply which wells in the adjacent territory are or may son be unable to provide.

Should the lake and adjacent grounds be converted to the city's use it would mean, that the use of the club grounds for present purposes would be practically prohibited, although such social pursuits as afforded no possibility of contamination of the water would be permissible. Boating, bathing and swimming would naturally be tabooed. While no definit estimate has been put upon the entire cost of thus taking over the lake and grounds, it is stated that the pipe line itself would cost at least $10,000, and the acquisition of the lake would naturally add considerably to this amount.

Just who will make the trip to Columbus is not known as yet. Some of the manufacturers will doubtless go before the state board, council will be represented, the service director is contemplating the trip and Health Officer Schwartz may also make the journey, especially in view of the belief that an audience with and results from the state board might be more easily secured if the local health board were concerned in the movement.

MT. HOPE PUPILS WILL HOLD ANNUAL REUNION

The former pupils of Mt. Hope academy will hold their fifth annual reunion Thursday in Willow grove, at Lisbon, and as usual a large attendance is expected. Many will spend the entire day at the grove renewing acquaintance with classmates of former days and talking over the pleasures of school life long since past.

The institution has not been in existence for the past twenty years, the academy being destroyed by fire at that time. The school was located near Rogers.

The founder of the academy and the president of the faculty, Professor A. Y. Taylor, still resides at Homeland, near Rogers, and considers these annual reunions one of the most pleasant occasions in his life. He has attended each summer during the five years in which these meetings have been held and will be present Thursday. Prof. Taylor is about 72 years of age, but still enjoys good health.

A correspondence school is now conducted on the site of the old academy. Judge Farr, of Lisbon, was a pupil of this institution and will be among the speakers present.

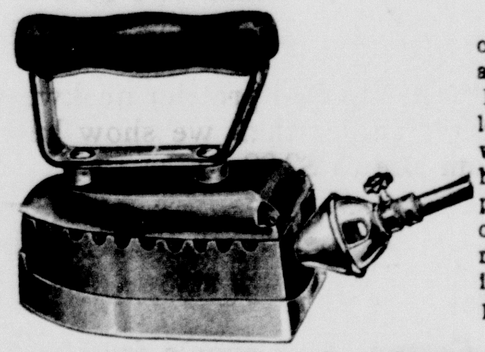
The Dover Gas Iron "Satisfaction in Ironing"



The Dover Gas iron is constructed in such a way as to make it a perfect self-heated iron—easily controlled by the operator and always ready for use. The iron has only three principal parts—nothing to get out of order. By a special arrangement of the interior the heat is evenly distributed to all parts of the ironing surface.

The Dover is easy to operate. It heats quickly and can be regulated to keep a very even temperature. No danger of fire as the flame cannot flash back into the mixer.

ONE CENT is the cost of a day's work with a Dover Gas Iron. A six-foot mohair covered rubber hose and an asbestos covered steel stand comes with the iron. The iron weighs six pounds.

Price $2.50 cash or $3.00 on payments—$1.00 down, 50c per week. We give you a free trial.

Can Pneumonia Be Cured?

Medical Reports Appalling, 5,000 to 10,000 Deaths in a Month.

Brazilian Balm

Has Not Lost a Case in 34 Years

Ex-Vice President Fairbank's beautiful, talented and popular wife has just died of Pneumonia under doctors' treatment.

Ex-President Benjamin Harrison was cut down in the vigor of his manhood by Pneumonia, under doctors' treatment.

U. S. Senator Mark A. Hanna—Nelson Dingley, of tariff-bill fame, and the Brazilian Minister, all died of Pneumonia, in the prime of life, under Dr. Osler's treatment (so the papers said)—the man who wants everybody chloroformed at the age of 60; and whom the English government has made a Sir Knight.

We might fill this page with the names of distinguished victims, under the hands of the most celebrated and earned physicians. Taking the Official Reports we find them appalling! The N. Y. State report for August last the hottest month) shows 713. Carry out this average and we have over 5000 deaths IN AUGUST, north of Mason and Dixon's line. Does not this mean 10,000 or 15,000 a month in winter? all under doctors' hands.

Now look at the record of BRAZILIAN BALM. On a Monday morning in February one of my boys was stricken with double Pneumonia. The Dr. said it was a desperate case, but e would do his best to get him up in a month. He cried like a child when I said I would treat him with BRAZILIAN BALM alone. And on Saturda , JUST 5 DAYS, he was up and cured. In March another son was stricken in the same way; and in just 5 days he also was up and well. We gave them Balm every 20 minutes, and three times a day we rubbed hot Balm over their chests and back, and heated it in well with a hot iron. These boys are now men of affairs, and their lungs have been sound as a dollar. There have been a multitude of other cases without a single failure.

Now why cannot the doctors cure every case? Because THEY HAVE NO REMEDY that kills the germs, and quickly subdues the fever, hemorrhage, congestion and inflammation, as does BRAZILIAN BALM every time, whether it be single, double or typhoid-pneumonia.

Half the time the people are to blame. They use cough medicines which cannot prevent Pneumonia. Sugar mixtures, pine dopes, tablets loaded with quinine and calomel-quinine and whiskey—open the pores and make the lungs more susceptible to pneumonia. You need the penetrating germicide, curative power of this Brazilian balsam to ward off, or CURE this dangerous disease. Use Brazilian Balm freely and you and your family are safe. It has saved thousands of lives, and fortunes in doctors' bills. Every family should keep a 50c or $1 bottl on hand for safety.

Dr. P. F. Jackson & Co., Arcade, N. Y.

SPORT BRIEFS

Fred Trauman, pitcher for the Appleton team of the Wisconsin-Illinois league, holds the world's record for twirling consecutive scoreless innings. He wrested the honor from Walter Johnson, of the Washington team, by pitching nine innings without a run being made against him in his last start. This feat made fifty innings he has hurled without an opponent crossing the plate. Johnson's record was 45 innings. He is a graduate of Bucyrus (Ohio) High school.

* * *

Vean Gregg, for several seasons the star of the Cleveland Naps, may be traded to the New York Americans for a pitcher and an outfielder, according to persistent rumor in Cleveland. Other men mentioned to be traded, provided the club is given a general "shaking up," are Lajoie, Turner, Olsen, Johnson, Carisch, Leibold and Hagerman.

* * *

Cleveland fans may expect to see another shift in the Nap's line-up most any day if the present combination fails to work, when Joe Jackson will be shifted to first base and Jay Kirke to third. Jackson has played at the first sack on several occasions for the Cleveland team.

* * *

Patrick Ryan, of the New York Irish-American Athletic club, broke the world's record in throwing the 56-pound weight at the Irish-American Athletic club games Sunday, when he made a distance of 42 feet 10½ inches. The former record was 40 feet 6 3-8 inches.

* * *

Billy Doyle, Cleveland Nap scout, is out on the trail of a pitching phenom. The player he is after is almost as tall as Cy Falkenberg, standing 6 feet 4 inches and weighs 180 pounds, and is expected to add greatly to the Naps' pitching staff, in event he is landed.

* * *

Pitcher Harry Collier, the former Georgia collegian, returned to Washington by the Des Moines Western League club, goes to Atlanta in the Southern league for more experience.

* * *

H. Goelitz, of the Chicago Athletic association, broke the world's record for the high hurdles Saturday, when he cleared the bars in 13 seconds flat. The previous record was 13 1-5.

* * *

Clifford Brady, an Interstate league phenom, only 17 years old, has been signed by the St. Louis Cardinals for next season. He is a second baseman.

* * *

AN ATTRACTIVE ADAPTATION OF THE POPULAR BOLERO

There is something youthful and charming about the bolero that makes it a favorite the moment Fashion glances its way. It is popular for both suits and dresses and is being made up in all sorts of materials from spangled net for the evening gown to serge for the street suit.

In this instance, 8410, it forms the bodice of an afternoon frock of blue and black taffeta. This bolero has a kimono top, closes with a single button over a sleeveless guimpe of white organdy. The body of the dress is of midnight blue and the tasseled tie and plaited second tunic are of black. This frock may be copied in size 36, with 5¾ yards of 36-inch material.

The practical looking little garment illustrated in 8005 is an apron, but it may easily be made to serve as a frock and a very dainty one too, if fashioned of a sheer cotton or other material suited to childrens' clothes. The guimpe which accompanies the apron may be omitted when an apron alone is desired. As shown here one of the figured cottons is used and a broad sashing ribbon forms the low hung belt.

For a child of 10, 2 yards of 36-inch material with 1½ yards of the same width for the guimpe, is required.

No. 8410, sizes 34 to 42.
No. 8005, sizes 6 to 12.
Each pattern, 15 cents.

To obtain either pattern illustrated fill out this coupon and enclose 15 cents in stamps or coin. Be sure to state number of pattern and size, measuring over the fullest part of the bust. Address Pattern Department, care of this paper.

PARIS GOES MAD AS JURY SETS SLAYER FREE

Paris, July 29.—Mme. Henriette Caillaux last night was acquitted by a jury in the court of assize of the wilful murder, on March 16, of Gaston Calmette, editor of the Figaro.

The verdict was returned after 50 minutes deliberation. The announcement was followed by tumult.

Mme. Caillaux staggered and then threw her arms about the neck of her counsel, Fernand Labori. Her hair was undone, falling over her shoulders and her hat dropped to the floor.

The spectators stood upon deskes and chairs. "Caillaux! Labori!" and cries of "Caillaux, assassin!" merged into one.

The din was deafening. Several groups of barristers came to blows and the republican guards, in an endeavor to separate them, joined in the melee. The spectacle of Labori and Chenu, the latter counsel for the Calmette family, embracing each other calmed the tumult for a moment, but it was redoubled when they left with Mme. Caillaux.

USE OF PRIVATE WELLS TO PROVIDE CITY WATER

(Continued from First Page.)

the Canton-Hughes Pump company regarding the worthless air compressor installed some months ago was decried as useless dallying; the service director and Councilman Augustine clashed on whether or not the present trouble results from insufficient supply or defective air lines, and various other matters were very exhaustively aired.

The Country club proposition was somewhat thoroughly canvassed by Service Director Russell at the opening of the conference, when he reported that a survey has shown identical levels at the club lake and the pumping station, so that the lake could be drawn upon by a suction pump or air line, and that he had taken the matter up with the state health board, and exacted a promise to investigate the matter immediately after some step taken by city council, which has already practically been pledged.

Russell Gives Views.

The director asserted that the present wells are being pumped to their entire capacity, and that too great a demand is entirely responsible for the trouble, although he later qualified his remarks by explaining that no accumulation resulted when the shops were down Saturday and Sunday because one of the machines at the pumping station broke and could not be operated for several hours. He reviewed the merits of the Fawcett spring and the proposed wells on West Eighth street, and affirmed his entire willingness to co-operate in any movement which will secure an adequate water supply at once. The consumption, he believes, could readily be cut down one-third by the general installation of meters.

Thinks Lake Water O. K.

A 12-inch pipe line to the Country club, following the valley to the disposal plant and thence to the lake, would cost, it was estimated, $10,000. W. H. Mullins declared his conviction that this would be a most feasible and prompt solution of the difficulty, as a test of the water a year ago, before the present artesian well was turned into it, showed it to be fit for domestic use, and the Country Club company, he felt sure, could be induced to forbid for a time all boating, bathing and fishing, and the removal of cottages within dangerous proximity. The matter was disposed of by the appointment of a committee, Mr. Mullins, F. R. Pow and W. D. King, to co-operate with the council and the state board of health in regard to the matter, and the committeemen, service director and councilmen left at once for the club grounds to look over the situation.

Augustine Scores Director.

Councilman Augustine, speaking for the water committee, declared that council has always been willing to appropriate for the water department, and has done so whenever money was available; that the service director, in his opinion, has "babied" with the Canton-Hughes company anent their worthless compressor long enough; that council will back the Country club proposition if the state health board puts its stamp of approval upon the project, and that leaks in the air lines are in part responsible for the shortage, rather than any other cause.

This last statement brought immediate response from Server Russell, who declared that he had personally inspected the air line two days ago and knew that not a half pound of pressure was being lost through leaks. A little later, informed that a former engineer at the pumping station had declared the trouble to result from clogged air lines in the wells, which had not been cleaned for years, Russell retorted that they had been cleaned very recently, and that the man quoted "don't know what he is talking about."

S. Grove expressed the opinion that the controversy between Russell and Augustine relative to the real cause should be tested out, and Russell stated that preparations have already been made by him to do so by temporarily installing a deep well pump in one of the best producers and testing it to see whether or not the compressed air system is delivering the maximum flow.

The McNab well will be at once tested out by a suction pump to be installed by the Deming company, with an electric motor for power, and should it prove capable of the 100,000 gallon flow, which Mr. McNab declared it had never failed to meet, it will be connected to the mains, and put at once into commission, as it has been tested, and was used for 16 years in the manufacture of artificial ice. All other private wells intended to be connected to the city mains have likewise been tested and found to be free from harmful substances.

SORE ERUPTION ALL OVER CHILD'S BODY

Started with Blisters. Itched So Could Not Sleep. Used Cuticura Soap and Ointment. In Three Weeks Was All Healed.

Route No. 3, Box 67, Little Falls, Minn. —"Our little boy was taken sick with a fever and after the fever he broke out with a sore eruption all over his body. We could get nothing to help him. The sores were large and red and bleeding. They started with blisters as if he were burned and when they broke they would bleed and they itched so that he could not sleep for some time. We had him all tied up with bandages and then we had to soak them off every day.

"We bought a cake of Cuticura Soap and a box of Cuticura Ointment which soon gave him relief. We used the Cuticura Soap to wash him with and used the Ointment afterwards and in about two weeks he was able to sit up. Now he is as well as can be for in three weeks he was all healed by the Cuticura Soap and Ointment." (Signed) George Wolters, Jan. 29, 1914.

Samples Free by Mail

For red, rough, chapped and bleeding hands, itching, burning palms, and painful finger-ends with shapeless nails, a one-night Cuticura treatment works wonders. Soak hands, on retiring, in hot water and Cuticura Soap. Dry, anoint with Cuticura Ointment and wear soft bandages or old, loose gloves during the night. Although Cuticura Soap (25c.) and Cuticura Ointment (50c.) are sold by druggists and dealers everywhere, a sample of each with 32-p. Skin Book will be sent free upon request. Address post-card: "Cuticura, Dept. T, Boston."

LEGAL NOTICE.

Sealed bids will be received at the office of the clerk of the Board of Education of the Salem city school district, at Salem, Ohio, until 12 o'clock noon, central standard time, of August 20, 1914, for furnishing materials, and the performance of labor for the erection of a high school building on the premises fronting on Garfield avenue, recently purchased by said Board of Education, in accordance with the plans and specifications on file in the office of the clerk of said Board of Education, at Salem, Ohio. Each bid must contain the name of every person interested therein, and be accompanied with a certified check payable to the order of the Board of Education of the Salem city school district of Salem, Ohio, in a sum equal to 5 per cent of the bid as a guarantee that if the same is accepted a contract will be entered into and the performance of it properly secured, within 10 days after notice of such award from the clerk of said Board of Education, otherwise said check or checks will be forfeited to the Salem city school district of Salem, Ohio, as liquidated damages by reason of failure so to contract within the time named.

Plans and specifications can be seen at the office of the clerk of said Board of Education at Salem, Ohio, and also at the office of the architect, C. F. Owsley, Mahoning Bank building, Youngstown, Ohio.

Bids must be upon blank forms, to be obtained at either of the above offices and must be plainly marked on the outside, "Bid for school building."

The right is reserved to reject any and all bids.

ALBERT HAYES, Clerk.

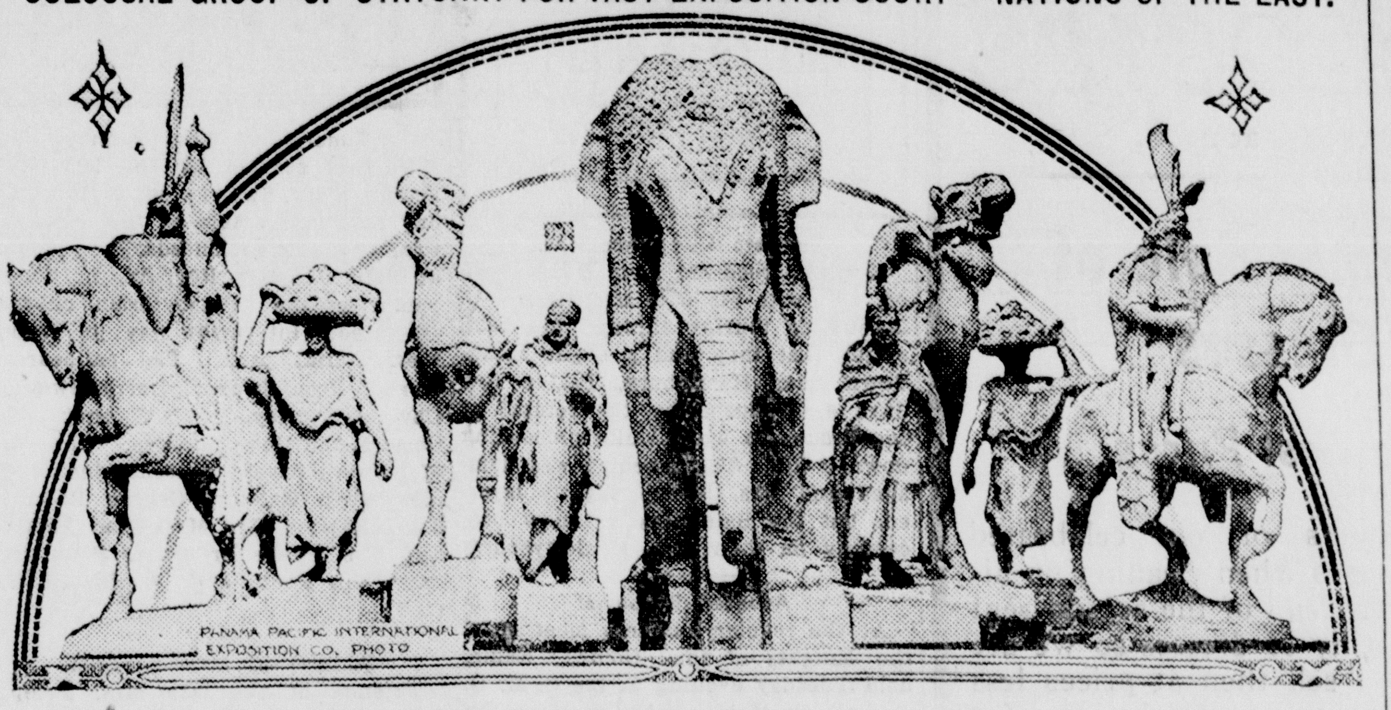
COLOSSAL GROUP OF STATUARY FOR VAST EXPOSITION COURT—"NATIONS OF THE EAST."



Copyright, 1914, by Panama Pacific International Exposition Company.

This photograph shows the enlarged figures for the colossal group, "Nations of the East," to crown the Arch of the Rising Sun at the Panama-Pacific International exposition at San Francisco in 1915. With the exception of the elephant and the camel on the left all the figures are completed. The elephant, however, will be surmounted by a howdah and the camel by a rider. The group in its entirety is the conception of A. Stirling Calder, with whom Frederick G. R. Roth and Leo Lentelli co-operated. The huge elephant in the center of the group was modeled by Mr. Roth, who also modeled the camels. The mounted horsemen were modeled by Leo Lentelli. From left to right the figures are: Arab warrior, negro servitor bearing baskets of fruit, camel and rider, falconer, elephant, representing India; Buddhist lama, bearing emblem of authority; camel and rider, negro servitor, Mongolian warrior.

NEW AUTO DESTROYED WHEN BARN BURNS

Canfield, July 29.—Fire of unknown origin consumed a barn belonging to F. E. Wetmore Sunday and destroyed a new automobile which had recently been placed there by the owner. The barn was close to the Wetmore residence, but the house was saved through the effective efforts of firemen. The Wetmores were away from home at the time.

London has a school for servants.

How to Get Rid Of Skin Trouble

A Handsome Skin Book Free That Will Guide You.

So many people fuss in despair over stubborn skin afflictions that some rules laid down in connection with the use of S. S. S. for the blood will be of great value. These are outlined in a hand book, finely illustrated, of the many variations in skin troubles. It tells how to overcome them.

If you have been fighting some blood trouble, some skin disease, call it eczema, lupus, psoriasis, malaria, or what you will, ask at any drug store for a bottle of S. S. S. and you are then on the road to health. The action of this remarkable remedy is just as direct, just as positive, just as certain in its influence as that the sun rises in the East. It is one of those rare medical forces which act in the blood with the same degree of certainty that is found in all natural tendencies. The manner in which it dominates and controls the mysterious transference of rich, red, pure arterial blood for the diseased venous blood is marvelous.

There is scarcely a community anywhere but what has its living example of the wonderful curative effects of S. S. S. Get a bottle of this famous remedy today, and if your case is stubborn or peculiar, write to Medical Dept., The Swift Specific Co., 535 Swift Bldg., Atlanta, Ga.

Do not permit anyone to talk you into a substitute for S. S. S.

COURT NEWS

Lisbon, July 29.—Orin Harsh and C. M. B. Stewart, who have worked jointly for William Allmon, of Salineville, in hauling lumber and railroad timber from his lumber mills at Kensington to the railroad station, claim in a petiton filed in the common pleas court this morning that he owes them a balance of $402 for their services, and ask that judgment be given them for the amount. It is also claimed that Allmon is further indebted to them in the sum of $14.50 for money advanced by the plaintiffs for demurrage and unloading timber, and they ask that they be also given judgment for this amount.

Lisbon, July 29.—Franklin Harris, who died recently in Butler township, left no will and Judge Farr appointed Ida M. Farmer to administer the estate, fixing the bond at $5,000. There will be no appraisement.

The will of the late Mary Ellen Sloan, of Washington township, was presented and admitted to probate. William H. Sloan, the widower, it was represented to the court, is by reason of ill health unable to come into court, and a commission was issued to E. E. Black to take his election and to explain his rights both under the will and under the law.

In the estate of the late David Miller, of Hanover township, the will was filed and admitted to probate, and on application Iva N. Miller was appointed executrix of the estate under $1,000 bond. There will be no appraisement of the estate. Mary C. Miller, the widow, appeared in court and made known her election to abide by the terms of her husband's will.

Frank B. and Lawrence E. Fisher, and Maude Coffey, children of Belle Knaub Fisher, now deceased, were given judgment for $1,203.05 against the estate of their grandfather, the late George Knaub, of Lisbon, the amount being their mother's share in his estate.

On application Richard E. Gilson and William H. Hart were appointed executors of the estate of the late Phila A. Gilson, of Washington township. According to the terms of the will there was no bond required, and there will be no appraisement.

In the estate of the late Samuel S. Cope, of Wellsville, Anna C. Cope appeared in court and made known her election to take under the will.

The wills in the estates of the late Catherine Shaw, of Washington township, and Margaret K. Camp, of Butler township, were presented and admitted to probate.

R. N. Chamberlain, of East Palestine, as administrator of the estate of the late John Chamberlain, has been ordered by Judge Farr to file an account of his administratorship by August 17th, or show cause to the court why an attachment should not be issued against him.

Taking Big Chances.

It is too great a risk to depend upon neighbors or sending for medicine in case of a sudden attack of bowel complaint. In almost every neighborhood some one has died from cholera morbus that could have easily been saved had the proper medicine been at hand. Then think of the suffering that must be endured until medicine can be obtained. The safe way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It has never been known to fail and has undoubtedly saved the lives of many people. Buy it now. It only costs a quarter. For sale by Bolger & French.

Dynamiters Get Many Fish.

Lisbon, July 29.—Dynamiters were again at work at West Fork, near Gavers, Monday, and made their escape with a big lot of fish. R. L. Springer, of Lisbon, was fishing near Gavers, and came upon a party of four sitting along the bank cleaning fish. When Mr. Springer appeared on the scene they picked up their buckets, baskets and sacks, containing the fish, and made their way down the road in the direction of Salineville as fast as they could. There were seven in the party.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. W. S. Gunsalus, a Pennsylvania farmer, residing near Fleming, P. O., Pa., says: "For the past 14 years I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy in my family and have found it to be an excellent remedy. I have always a bottle of it in my house and take pleasure in recommending it to my friends." For sale by Bolger & French.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the diseases, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

LOCAL NEWS

Tourists Have Accident.

A postal received from D. E. Mather, who with his wife and Mrs. S. C. Jessup, is touring through the east, states that they had a slight breakdown near Harrisburg, Pa., a few days ago, caused by the refusal of the brakes to work while proceeding down a hill. The machine was damaged and Mrs. Jessup slightly injured, but the Salemites are now proceeding on their way to Gettysburg

Adopted By-Laws.

At the regular business meeting of the Knights of the Golden Eagle, held Tuesday evening at the C. M. B. A. hall on Main street, some of the by-laws of the order were given their final reading and passed upon. The remainder of the by-laws will be given the last reading and passed upon at the next regular meeting.

Razing Hawley Homestead.

Work on the demolition of the old Hawley homestead on the site of the proposed new high school building on Garfield avenue was begun Wednesday morning, and in a few weeks this historic structure will be gone, with other buildings which now encumber the site.

A New Albright.

Friends here received announcement Wednesday of the birth of a son to Mr. and Mrs. Harry Albright, of Columbiana. The newcomer arrived Wednesday morning and weighs eight pounds. Mrs. Albright was formerly Miss Carrie Hise, of this city.

Postpone Prayer Meeting.

Owing to the fact that the chautauqua will come to a close Wednesday evening, announcement is made that the regular prayer meeting of the Presbyterian church will not be held.

Returned From Hospital.

---

Old, but Able.

Enrico Dandolo was not elected doge of Venice until he was eighty-two years old, and he still retained the fire and vigor of his youth. He assaulted and took the city of Constantinople when he was ninety-two years old, himself displaying the gonfalon of St. Mark and animating his followers to the charge. Villars, the French general, in his eighty-fourth year, when crippled with wounds and disease, led a cavalry charge with the same light hearted contempt for danger displayed by him in his youth. The men who won distinction in high command during the mutiny against the English in India in 1857-8 were all of them well advanced in years. Sir Colin Campbell, the commander in chief, was sixty-five; Havelock was sixty-two, Sir Hugh Rose fifty-seven and Sir James Outram fifty-four. They stood the fatigue of field service in a tropical climate, with the thermometer at from 110 degrees to 119 degrees in the shade, as well as younger men.—London Answers

DEATHS

Funeral of Mrs. Sweney.

Funeral service for the late Mrs. Emma Mary Sweney, who died Sunday night, was held at the home on Franklin avenue Tuesday afternoon at 3:30 o'clock. Rev. W. L. Swan, pastor of the Presbyterian church, officiated. Interment was in Grandview Burial park. The pallbearers were: Ross Sweney, Harry Sweney, Charles Sweney, Oscar Sweney and George and John Ralston. The out-of-town relatives present included: Mrs. John Ralston, George Ralston, John Ralston, Jr., Mrs. Jean Hunter and Mrs. Phebe Brown, of Pittsburg, and John Fouts and family, of Girard.

Funeral of Mrs. Sprague.

Friends of the late Mrs. Joseph Sprague assembled at her home on the Franklin avenue road Tuesday afternoon at 1:30 o'clock to pay their last respects. Rev. W. L. Swan, of the Presbyterian church, officiated. Interment was in Grandview Burial park. Out-of-town relatives and friends present were: Mrs. P. H. Cribb, Miss Florence Sholes, Mrs. J. B. Foster, Mr. and Mrs. Charles Ross and daughter, Mr. and Mrs. Frauger, Mrs. W. Barclay, Mrs. James Penwell, Mr. and Mrs. H. S. Wherret and John S. and Harry F. Sprague, of Pittsburg.

TO RECOMMEND WATER METER

(Continued from First Page.)

of approximately $9, installed, and pay for its upkeep.

Those who are chiefly considering the advantage to the city are urging the latter plan as the most desirable since it will preclude the necessity of a large investment by the department such as would be needed were the city to purchase and install the meters, and wait some years before they were fully paid.

It seems to be quite generally believed that the meter would offer the best solution of the whole matter, and it was the sense of the conference, expressed by unanimous vote, that meters and a new meter rate, supersede the present flat rate ts soon as practicable, perhaps within a year's time.

It was suggested that council by ordinance ordain the new policy, establishing a time limit after the expiration of which all consumers must have meters, but the fact was pointed out that the rules of the water department give the service director, as superintendent, the power to enforce the installation of meters, so it will probably be left entirely in his hands. He estimates that the entire city can be metered for $15,000.

That he will recommend to council at its regular meeting next Tuesday evening the installation of water meters throughout the city was the statement of the service director at noon Wednesday, when he expressed his belief that the best way to proceed in the matter would be, not to order all to be installed at once, but to announce that special services, such as lawn sprinkling and motor washers, will be metered, thus abating the worst nuisance in this connection, and later extend the classification until all service is metered.

CHURCH WORKERS ELECT

(Continued from First Page.)

bon; district superintendent of Sunday schools, Miss Carrie Brown, New Castle, Pa.; district superintendent of Daughters of Conference, Mrs. Dora B. H. West, Youngstown; district president of Women's Home and Foreign Missionary societies, Mrs. Jennie A. Taylor, Lisbon; district superintendent of Buds of Promise, Mrs. Blanche Dillard, New Castle, Pa.

Tuesday afternoon Mayor R. R. Johnson delivered an address of welcome, and the response was made by Rev. J. C. Taylor, of Buffalo, N. Y. Rev. E. C. West, of Youngstown, responded to the address of welcome delivered by Rev. Mr. Lowe in behalf of the churches of the city, while Rev. M. J. Grable spoke in behalf of the Ministerial association of Salem. Rev. L. M. Upperman responded. Stanley Mills brought a message from the A. M. E. Zion church of Salem, to which Rev. H. Durham responded. Several musical numbers, including vocal solos, were well received.

Reports of delegates occupied the Wednesday forenoon session.
